IX. Commissioners' comments

- Vice President Hayward has seen less trash bags being left on the ground.
- President Lionel Frederick says at the last meeting he suggested the Town provide trash cans to the residents.

X. Citizens comments

- Henry Teagle a resident expressed his concerns specifically for public works. He stated that the men on the back of the trash truck are jumping off while the truck is still in motion, the lids are not being placed back on the trash cans, and someone could get hurt when they are jumping off the truck.
- A few other residents were concerned about the trash not being picked and not having a message being sent out in a timely manor along with the public works men throwing their trashcans which leads to them getting destroyed.
- Residents believe the town should provide them with trashcans

XI. Adjournment
