TRASH FEE POLICY

As the COVID-19 pandemic wears on, many families have faced and continue to experience an overwhelming amount of economic hardship and food insecurity. This not only creates financial distress in the short term but it can also have significant long term financial effects.

To assist our residents the Town may waive all \$30.00 late fees associated with waste disposal charged after March 08, 2020.

If there are any questions please contact the Towns Finance Department at 410-651-1818.
